

Town of Abington
Board of Health Meeting
Monday, July 7, 2014
Meier Room
7:00pm

Member's present: Theresa Maze, Chair, Linda Dickey, Susan Emery, Bob Manning, Sharon White, Health Agent

Terry calls the meeting to order at 7:00pm.

Compost Site

Sharon tells the Board that the grinding has been completed.

She updates the Board that we need to have four more days added to the Compost Site because of a rebate through DEP for next year

Nurses Contract

Sharon updates the Board regarding Monday Holidays and blood pressure checks. She states that cutting down to two clinics a month are reasonable and add other programs.

Discussion

Body Art

Sharon discusses with the Board regarding the 3 series of Hep B shots and exemptions. There is a practitioner who would like to be exempt. There is a practitioner in Abington that does have a declination on file and has been accepted as a practitioner.

Discussion

Bob proposes that the Abington Board of Health establish a requirement for those practitioners of Body Art who do not have the vaccinations provide the BOH proof every six months that they do not have any issues with their blood system and those who want to open a Body Art institution be informed that we are requesting they do get the vaccinations although we cannot enforce it but would encourage it and for those that don't they need to follow the every six months test or suffer the consequences of losing their license to practice body art in the Town of Abington
